

# Archaeology in Marlow

## *Mike Farley*

will be giving a talk entitled

### **'Bucks Archaeological Sites from the Air'**

This talk will describe the continuing role contributed by views from the air in helping to understand the county's constantly changing landscape. Over the last twenty years or so Mike has been fortunate in being able to hitch lifts with several generous amateur pilots flying over Buckinghamshire.

The talk, illustrated with many of his own photographs, will also note public-access aerials and digital techniques as a source of completely unsuspected new discoveries. He will also note some of the pitfalls lying in wait for interpreters including 'fairy rings' and golf courses!

**8.00 p.m., Thursday, 17th October, in the Garden Room, Liston Hall, Marlow, SL7 1DD**

**Members of AIM & MAS £3.00, non-members £4.50  
Free parking at the adjacent car park after 7.00 pm**

For details of AIM's other activities and how you can join, either log on to our website, [www.archaeologyinmarlow.org.uk](http://www.archaeologyinmarlow.org.uk), or contact: John Laker, 9 Spinfield Lane, Marlow, Bucks, SL7 2JT. Tel: 01628 481792
